## FOR IMMEDIATE RELEASE

### NEW LOOK FOR NCW LIBRARIES' BOOKMOBILES

NCW Libraries' two community bookmobiles are sporting a new look and two additional stops.

The NCW Libraries operates two bookmobiles to bring library services to the nooks and crannies of the district's 5-county service area including Chelan, Douglas, Grant, Okanogan, and Ferry county. These vehicles serve as a library on wheels, bringing all the materials you might find in one of NCW Libraries branch locations — books, DVDs, music, and more for all ages.

NCW Libraries mission is to connect the people of North Central Washington to vital resources and opportunities that foster individual growth and strengthen communities. The two community bookmobiles help fulfill that mission by bringing books and library services to people within the service area who may have a hard time making it to their closest library location.

The updated exterior design of the two community bookmobiles is part of a phased rebranding process the library system has been rolling out over the past two years. The new look represents that NCW Libraries is one large library district that operates 30 individual community libraries across the counties.

The South Bookmobile has added two new stops this fall at Desert Aire in Grant County and Three Lakes Estates in Chelan County. These stops join the regular line up of stops at the Malaga Market, Valley Hi, Plain, and 97 Rock House near Blewett Pass in Chelan County, Orondo in Douglas County and Wilson Creek in Grant County. The North Bookmobile makes regular community stops at Orient, Aeneas Valley, Loomis, Nespelem, and Chesaw.
