NCW LIBRARIES BOOKMOBILES VISITING MORE LOCATIONS

The two NCW Libraries community bookmobiles have added new stops this summer to bring library services to more people across North Central Washington.

They are now visiting the Malaga Market and Valley Hi in Chelan County, Crescent Bar and Colockum Ridge Golf Course in Grant County, Brewster Boys & Girls Club and Nespelem in Okanogan County, and Inchelium and Keller in Ferry County. They also have regular established community stops at Orondo, Plain, Wilson Creek, Orient, Loomis, Chesaw and the Aeneas Valley.

Find schedules for the bookmobile stops at <https://www.ncwlibraries.org/bookmobiles>.

These mobile libraries bring all the materials you find in branch libraries — books, DVDs, music, craft kits, and more. Visitors to the bookmobiles can also pick up holds, drop off returns, connect to free Wi-Fi, and sign up for the Summer Library Program.

Do you know of an isolated rural community in Chelan, Douglas, Grant, Okanogan, or Ferry County that would benefit from a monthly bookmobile visit? Please contact NCW Libraries at bookmobiles@ncwlibraries.org.
