## FOR IMMEDIATE RELEASE

### FREE COVID-19 VACCINE CLINICS AT GRANT COUNTY PUBLIC LIBRARY LOCATIONS

8/12/2022 - Grant County Health District (GCHD) is offering free COVID vaccine clinics at NCW Libraries Grant County community library locations in Coulee City, Ephrata, George, Grand Coulee, Mattawa, Moses Lake, Quincy, Royal City, Soap Lake, and Warden.

These clinics offer COVID-19 primary and booster doses for all ages, 6 months and older. Only Moderna vaccines will be offered but anyone looking to get a booster can get a Moderna dose (regardless of previous vaccine types received). The clinics are walk-in only, no appointment is needed. No insurance or identification are required. Individuals will need to provide their name, date of birth, and pertinent medical history and will need to be prepared to wait 15 minutes after their vaccine before leaving the clinic.

Each site will offer two clinic dates, four weeks apart, allowing individuals to receive both doses of the vaccine.

NCW Libraries Location	Time	Day (1 <sup>st</sup> Dose)	Day (2 <sup>nd</sup> Dose)
<a href="#">Royal City Library</a>	10AM – 1PM	Tuesday, 8/23	Tuesday, 9/20

<a href="#">Quincy Library</a>	1PM – 4PM	Wednesday, 8/31	Wednesday, 9/28
<a href="#">Soap Lake Library</a>	2PM – 5PM	Thursday, 9/1	Thursday, 9/29
<a href="#">Coulee City Library</a>	3:30PM – 5:30PM	Friday, 9/2	Friday, 9/30
<a href="#">Grand Coulee Library</a>	10AM – 1PM	Saturday, 9/3	Saturday, 10/1

The CDC recommends COVID-19 vaccines for everyone ages 6 months and older and boosters for everyone 5 years and older, if eligible. Everyone 5 years and older are eligible for booster doses at least 5 months after completing the primary series. Everyone 50 years and older and immunocompromised individuals are eligible for a 2<sup>nd</sup> booster at least 4 months after the first booster. Anyone who received a Johnson and Johnson vaccine should get a booster dose of an mRNA vaccine at least 2 months after the primary dose.
